

# Civil Labourer

## Rural Fibre Co Pty Ltd

<b>Location:</b>	Onsite (Morwell Hub, Gippsland Field Work)
<b>Employment Type:</b>	Full-Time
<b>Remuneration:</b>	\$70,000 - \$80,000

### About Rural Fibre Co

At Rural Fibre Co, we believe that high-speed, reliable internet is a necessity, not a luxury. Our mission is to bridge the digital divide by bringing fibre broadband to regional Australia, ensuring communities have the connectivity they need to thrive. Rural Fibre Co is built on a legacy of innovation, reliability, and customer-focused solutions. With deep roots in Gippsland, we are committed to transforming the digital landscape for communities often overlooked by traditional broadband providers.

As an infrastructure builder and wholesale network operator, we partner with retail companies to deliver world-class fibre connectivity. Whether it's empowering local businesses, enabling students to access quality online education, or connecting families with loved ones, we are here to make a difference where it matters most.

Join us in building a network for good—one that ensures regional Australia is not left behind in the digital future.

### About You & the Role

You are a dedicated and skilled labourer with experience in civil construction or telecommunications infrastructure, ready to contribute to a dynamic and hands-on team. Safety is a top priority for you, and you have a strong understanding of safe work practices, ensuring compliance in an active construction environment.

You are competent in using hand tools, power tools, and light machinery, with the ability to operate efficiently in a fast-paced worksite. Your positive attitude and strong work ethic make you a valuable team player, always ready to support your colleagues and get the job done.

### Essential Requirements

- Heavy Ridged Driver's Licence
- White Card

### Desirable Attributes

- Previous experience in labouring, earthwork operations, or pit and pipe installation.
- Physically fit and capable of working outdoors in varying conditions.
- Ability to work effectively as part of a team.

- Reliable transport to our yard in Morwell, VIC 3840.

## Why Join Us?

This role is perfect for someone who is motivated, reliable, and eager to be part of a growing industry, working on essential telecommunications infrastructure projects.

- **Competitive pay** and opportunities for career growth in a rapidly expanding infrastructure company.
- **Five weeks annual leave** and 3 days community service leave.
- Be part of a team delivering **critical fibre broadband to rural communities**, making a real impact on connectivity.
- Hands-on work in civil construction, installing telecom pits, operating light earthwork machinery, and **maintaining high worksite standards**.
- Work in a fast-paced, collaborative environment where problem-solving and teamwork are valued.
- **Play a key role** in building reliable infrastructure that supports businesses, families, and education in regional areas.

If you're someone who thrives in outdoor, hands-on work and wants to be part of a company driving real change for rural Australia, we'd love to hear from you! Apply now and join Rural Fibre Co in revolutionising regional connectivity.
